Product description

Ingredients

Chicken breast fillets (92%), water, rice starch, dextrose, stabilizer (E451), antioxidant (E331), thickeners (E407, E415), yeast extract, salt, potato starch, spiceblend (salt, yeast extract, natural spices: onion, paprika, black pepper, tomato, chili, ginger, cumin, garlic, coriander).
100 g of chicken breast fillet was used to prepare 107 g of finished product.

Visual appearance

Roasted natural shape of chicken breast fillet, cut into 16 x 16 mm pieces (cut in a 2-dimensional plane), forming smaller or larger pieces, in palish brown to golden brown color, with more or less visible brownish spots from baking. During the freezing process, it is allowed to stick together of some product particles.

Flavor

Characteristic of the ingredients used - roasted chicken meat and added spices, without any odor.

Structure

After thawing - tight, juicy, typical of roasted chicken breast fillet cut into pieces.

Taste

Characteristic of the roasted chicken meat with light taste of added spices.
